Value Propositions (What I can do for you)

Create/Update Materials

- Write articles, social media postings, brochure descriptions that speak to your target customer
- Develop and write books and other print and e-print publications that generate revenue and create brand loyalty

Provide Endorsements

- Customers aren't swayed by T.V. actor endorsements anymore; they want real people
- My U.S. Registered Trademark draws attention and audience

Participate in Events

- Attend trade shows, conventions, corporate events as a headliner
- Provide book give-aways as part of gathering email information, etc.

Write Compelling Reviews

- Potential customers conduct online research and base decisions on reviews (a TripAdvisor review I wrote about a small boutique hotel had 1,664 readers in just one week!)
- Create templates to make it easier for customers to write top-rated reviews that drive business

Flexible on Compensation Arrangements

- Monthly retainer (ensures availability; eliminates minor billings)
- One-time project
- Per-piece (series of articles, brochure updates, etc.)
